GAS CYLINDER SOLUTIONS YOUR ONE STOP CYLINDER SHOP

Pro-Diving Services carry an extensive range of gas cylinders that suit a wide range of applications. All cylinders come with a test certificate and are complete with labelling. Water capacities can vary. Calculated gas is approximate. Prices are in \$AU and don't include GST. New dealers welcome. Specialty cylinder colour coding available. Pro-Diving Services are a certified gas cylinder test station.

We recommend that only certified gas cylinder test stations fit valves to cylinders.
